DJ SKITZ
THE DEFINITION OF VERSATILITY

WHO AM I

For over two decades, DJ Skitz has been one of Toronto's most versatile and dynamic openformat DJs. Since 2001, he has built a reputation for delivering high-energy experiences with flawless transitions, unmatched crowd control, and a genre-fluid approach that blends Dancehall, Soca, Afrobeats, R&B, Hip-Hop, Reggae and global edits. His ability to shift musical direction instantly has made him the go-to DJ for premium nightlife venues, international brands, corporate bookings, and high-stakes private events — including a private event hosted by Drake.

Skitz is also the creator and curator behind multiple signature nightlife brands including Summer Rain (The R&B Experience), Pull Up Fridays, Fete Fridays, Afro Fete, and Dancehall Fete. His events consistently draw hundreds of attendees and continue to shape the cultural nightlife landscape across the GTA. With global digital reach, established mix series, and radio presence on CHRY 105.5, Vibe 105.5, and 93.7 WBLK, DJ Skitz continues to evolve as a brand, entertainer, and music architect. His tagline, "The Definition of Versatility," is more than a slogan — it's a blueprint for every set he touches.
